I, \_\_\_\_\_, agree on behalf of myself and all co-owners of my Lot, to participate in the Blue Lake Springs Homeowners Association’s “Garbage Spill Cleanup Program” (the “Program”). By participating in the Program I expressly authorize the Association or its vendor to enter my Lot for the purpose of cleaning up and disposing of household waste spilled onto my property during the course of municipal trash collection. I understand that the Association will provide me with 24 hours’ notice of such entry and that at the time of such notice I may inform the Association of my intent to decline service from the Association and perform such cleanup myself within the next 24 hours.

I agree to pay the cleanup and disposal fees associated with participation in the Program and understand that late payment will result in a late fee, and may result in additional collection fees and costs, including attorneys’ fees.

I agree to hold the Association harmless from any liability, claims or damages which arise from or are connected with my participation in the Program, except to the extent such liability, claims or damages are caused by the negligence of the Association or its vendor.

I understand that I may opt-out of participation in the Program at any time by providing the Association with written notice of my decision. I understand that I am responsible for any fees incurred for services performed under the Program prior to the date of my opt-out.

By signing this agreement, I agree to all the provisions of the Program as outlined in this Form and in the Association’s Policy 500-A-37 – “Opt-In Association Garbage Spill Cleanup Program.”
